

Annual Mental Health Services Act Revenue and Expenditure Report

This PDF document is a copy of the Annual Revenue and Expenditure Report (ARER) which is submitted by County Mental Health Plans (usually, the County Behavioral Health Department) to the Department of Health Care Services and the MHSOAC. This document is made available to the public through the Fiscal Reporting tool created by the MHSOAC to support fiscal transparency. The Fiscal Reporting tool is based on the data submitted by counties through Annual Revenue and Expenditure Reports.

Annual Revenue and Expenditure Reports can also be downloaded from the [DHCS website \(http://www.dhcs.ca.gov/services/MH/Pages/Annual-Revenue-and-Expenditure-Reports-by-County.aspx\)](http://www.dhcs.ca.gov/services/MH/Pages/Annual-Revenue-and-Expenditure-Reports-by-County.aspx)

The following report provides annual point-in-time estimates (similar to a checkbook balance) of County MHSAs revenues received and expended for each component of the MHSAs, as well as end of year closing balances. The reports are intended to represent a snapshot of County MHSAs financial information as of June 30th, the last day of each fiscal year. Counties emphasize that the ARER reports are difficult to tie to their official, audited financial statements and should be interpreted with caution.

Financial summaries presented in this report are broken down by the following MHSAs components:

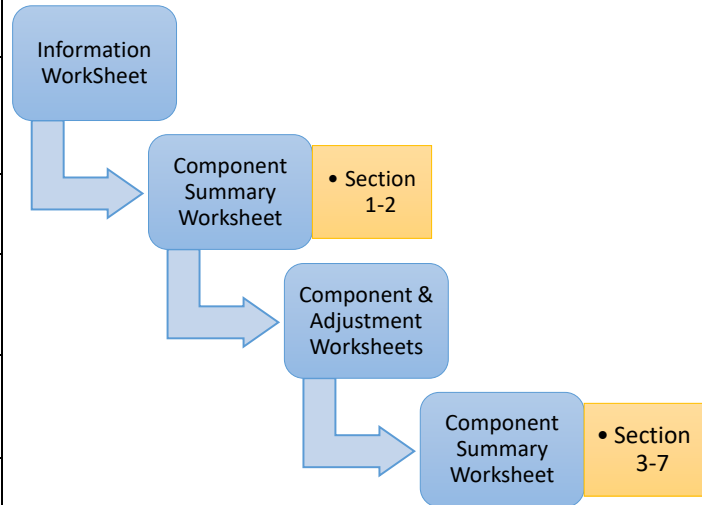

- Community Services and Supports (CSS)
- Prevention and Early Intervention (PEI)
- Innovation (INN)
- Workforce Education & Training (WET)
- Capital Facility & Technological Needs (CFTN)
- Other MHSAs components

Annual Mental Health Services Act Revenue and Expenditure Report
Fiscal Year 2016-17
ARER Instructions

ARER Instructions

- For detailed instructions, see Enclosure 2: Instruction Manual for Fiscal Year 2016-17 of the MHSA Annual Revenue and Expenditure Report.
- These worksheets are used to report the total expenditures for each MHSA-funded program. Expenditures should be recognized in the period that the fund liability is incurred. (Accounting Standards and Procedures for Counties, State Controller’s Office (SCO), May 2014).
- Counties must report any expenditure that occurred between July 1, 2016 and June 30, 2017, on the appropriate component worksheet.
- Counties should reflect total (gross) program expenditures for each MHSA program on the MHSA Component Expenditure Worksheets.

Step 1: Complete the Information worksheet	The information provided on the Information worksheet automatically links to worksheets in the ARER. This worksheet eliminates the redundant entry of county name, code, and date on worksheets.
Step 2: Complete section one and two of the Component Summary worksheet	Section one provides the total amount of unspent funds available from prior fiscal years. These amounts should match the amount of unspent funds previously reported in the FY 2015-16 ARER, Unspent MHSA Funds in the Local Mental Health Service (MHS) Fund (Section 6).
	Section two provides the total amount of revenue received and deposited into the local MHS Fund from July 1, 2016 through June 30, 2017.
	Skip section three through seven of the Component Summary worksheet. These sections are linked to the remaining component worksheets and will auto populate as the county completes each individual worksheet.
Step 3: Complete each component and adjustment worksheet	In general, counties will enter expenditure data in the blue boxes throughout the workbook. Cells shaded gray will require no data entry because it is an excel formula or data is not relevant for that particular cell.
Step 4: Review the Component Summary worksheet	Counties should verify that sections three through seven of the Component Summary worksheet accurately reflect the expenditures reported on the component and adjustment worksheets.
